Product
Certification

The above chair has been assessed by Furntech-AFRDI and found to comply with the requirements of the Standard.

The supplier having agreed to maintain the compliance of the product and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the product to the Australian Standard under the Blue Tick Product Certification Program.

This certificate does not relate to fabrics – chairs cannot comply with the Standard unless the fabric used (if any) meets the flammability requirements of AS/NZS 4088.1.

This certification is valid for three years but may be suspended, revoked or renewed.
